My Bear Mrs. Booth: A few days ago it was my sad duty to lay away your beloved husband Captain Booth and no doubt he and message has reached you

His men of his company were especially touched by the message of his death and the only comment I heard was of praise and admiration for him

We laid him away to rest in the American cometers just outside of the city of Coblenz Germany In addition to the regular christian for neral service, a military service was also held in his honor. The flire be loved and fought for was spread over his casket, the army gun sainte was fired in his honor and at the close the bugler blow "Taps" the call in the army which tells the soldier his day's work is finished and calls him to rest.

His grave will be well marked and well cared for as the government has men employed caring for the cemeery continuously.

Last Sunday morning in our church service, special prayers were offered for you and your children and spectal mention of Captain Booth's passing away was made on our church program, a copy of which I m enclosing
